## Description

Price: AUD \$545,000

'Anemos' is a beautifully presented 2022 Bavaria Vision 42, exclusively available with YOTI on the Gold Coast, Queensland.

This Bruce Farr-designed cruising yacht combines comfort, practicality, and performance. The Vision series has been based on how customers see their modern cruising yacht: classic modern, with special care for comfort with a unique cockpit and cabin living areas, and above all, easy to handle.

The spacious cockpit of 'Anemos' is a standout feature, offering a luxurious outdoor living area. With an L-shaped bench settee and table that can be converted to a daybed, twin steering pedestals, and a large swim platform, it's a space designed for comfort and relaxation. The large bimini provides shade to the entire cockpit.

'Anemos' has the upgraded 50Hp diesel engine and optional bow thruster. Her twin helms provide excellent control and all-round visibility when sailing or returning to a berth. She is optioned with the proven Selden in mast furler, Code 0 with removable furler and shallow draft keel, reducing her depth from 2.13m to just 1.69m. Her B&G instrumentation includes a 9" Zeus3 plotter, multiple Triton2 displays, autopilot and an Ais Transponder.

Below deck, 'Anemos' offers a bright, airy interior with a two-cabin layout and a single head. The saloon has a generous headroom, adding to the feeling of space. There is an L-shaped dinette with a fold-out table. The seats at the nav table can be moved to the table for additional dining seating. The nav table can also be lowered to create a sofa. The galley has a 2-burner stove top, oven and a 150L top and front fridge/freezer. Centrally mounted is the double sink, with a clever drying rack, recessed in the joinery. The head includes a separate shower stall with access to a vast storage lazarette, also accessible from the cockpit. The forward cabin has an island-style king-size berth with a desk and ample storage, while the aft cabin features two single berths that can be easily converted into a king-sized bed.

We invite you to discover the exciting Bavaria Vision 42 'Anemos' at Hope Island Marina, Gold Coast. Please contact Robert Vrind for further information and to arrange an inspection.
