Description

Coming Soon to YOTI -Arenais a 2019 Lagoon 46 now exclusively listed for sale with YOTI Queensland.

Imported by TMG Yachts (previously The Multihull Group), the Australian Lagoon importers,Arenahas been extensively upgraded and immaculately kept by her two experienced owners both on the Gold Coast.

As an Australian delivered Lagoon and having only sailed the East Coast, her upgraded 57hp Yanmar engines have low hours as has her 11KVA Genset. Also specified with full air-conditioning, large capacity watermaker, 1.2 kw solar on a custom stainless-steel frame, Washer/Drier, and an extensive instrument inventory,Arenais a safe and capable blue water cruising catamaran.

Her flybridge is accessed from either hull, with a central helm position with excellent visibility. Engine controls, navigation instruments, including a large chart-plotter, are all mounted here. Within arm's length of the helm are all the electric winches and the clever flatwinder captive winch for mainsheet traveller control. Transom and spreader mounted cameras are helpful for those tight docking situations.

She is also fitted with the optional hardtop bimini and fully enclosed by drop-down clears and sun mesh. The forward clear is from a tough stratoglass, ensuring optimal vision in adverse conditions. Cleverly integrated steps allow for good access to the bimini top and the sail bag. The cushions at the helm are fitted with fold-down backrests, allowing this whole area to transform into a large relaxing space quickly.

This vessel is turnkey and ready for extensive and autonomous bluewater cruising and liveaboard.

Please contact Tim Vine early details or to arrange an early inspection in Sanctuary Cove, Queensland.
