Description

Price: AUD \$145,000

'Koko' is a 2007 Elan 37 now exclusively listed for sale with YOTI Sydney Harbour.

The Elan 37 is a very cleverly designed performance cruiser from the drawing table of Rob Humphreys and extremely well built by Elan Marine in Slovenia, using modern technologies but with a respect to tradition. Elan Marine whose heritage in boat building dates back over seventy years are renowned for their innovation and quality of construction.

Koko is a 3-cabin layout but with a unique aft cabin arrangement that can convert to a full width double berth. She has a U-shaped galley to starboard fitted with a large Isotherm top opening fridge, 3 burner gas stove and oven as well as twin basin stainless steel sinks. The forward-facing navigation to starboard is compact and has all electronics within easy reach. Her joinery work is steeped in tradition and is a cut above most production boats and provides an incredible feeling of warmth and style.

Koko's instruments are by Raymarine, and she is fitted with a GPS Plotter, sounder and log, wind and speed gauges as well as Autopilot. She also comes with a Raymarine VHF radio and as well as a hand-held unit.

Her extensive sail wardrobe includes Ian Short Regatta Main, Doyle race main, Dacron cruising mainsail, Ian Short J1, J2, Doyle J1 and J3, Eastwind Sails Dacron J4, Dacron J2,3/4oz Symmetrical, Small Symmetrical (Heavy), Asymmetrical on Pro furler, Code Zero on Harken furler, as well as a storm jib and trysail.

For further details or to arrange inspection on Sydney Harbour please call Ian Greentree.
