Description

Price: AUD \$685,000

TANGO is a 2015 Fountaine Pajot MY37 listed exclusively for sale with YOTI on Pittwater.

Delivering exceptional comfort, stability, performance, and efficiency, this Motor Catamaran is built by one of the largest and hugely respected catamaran builders.

This is a three double cabin layout with huge volume. The hydraulic tender lift / swim platform further extends the space on board. Access from the water or the dock is seamless and safe with just two steps up to the cockpit. Walkaround side decks are also safe and easy leading to the spacious foredeck. The saloon offers expansive views in all directions. The in-line galley is practical with excellent bench space and within easy passing distance to the cockpit. There are three fridges (including fly-bridge fridge) plus a large freezer. The saloon seating is comfy and generous.

The owner's cabin and bathroom / head fill the entire port hull with semi-island berth, and impressive storage space. The starboard hull includes the aft VIP guest cabin, second shower / head and forward smaller double.

The MY37 has an advanced hull design to ensure outstanding stability and excellent performance at sea, while its impressive fuel economy makes it the ideal choice for coastal adventures. The fine bow entry coupled with the hard chines is the perfect blend for efficient cruising, dry decks, and maximum internal volume. Top speed sits around 20 knots.

The fly bridge with hard top and wrap around clears offers amazing views when either driving or simply sitting back while on anchor. There is a chart plotter, auto-pilot, and even the anchor winch can be controlled by the helm. TANGO is powered by the upgraded options of the Volvo Penta twin 220HP shaft drive diesel engines. There is air-conditioning and generator.

This is a very large volume power catamaran offering a very practical and fun cruising and entertaining platform. TANGO is available for inspection on Pittwater. Contact us for further details and to arrange inspection.
