Description

Price: AUD \$545,000

'Wilyali' is a 2022 Hanse 418 listed exclusively for sale with YOTI on Pittwater.

This is a yacht presenting in 'as new' condition and boasts a huge list of both factory and local extras. She is comfortably the highest specified Hanse we have seen in any 40 foot model.

'Wilyali' is the two cabin / single head option. This allows for the larger owner's berth and cabin plus includes the extended galley which leads to the super practical storage cabin. There is a second large drawer fridge plus a portable fridge / freezer plugged in and out of the way in the storage cabin. The nav desk / coffee table lowers to allow a full-length sofa or additional single berth. The saloon seating also converts to an additional double berth.

Flexiteek was chosen in the cockpit and coachroof - this is the preferred modern choice which looks amazing, feels great under foot, and is proven to be tough and long lasting. There is of course twin wheel steering, and the upgraded white Y spoke wheels were chosen. There are the full four winches, two are electric. In-mast furling is factory fitted to complement the self-tacking headsail. 'Wilyali' is rig ready to carry a Code 0 or gennaker. The comprehensive instrument package includes 12" screen in the cockpit, AIS, auto-pilot, plus wi-fi and Iridium wired up.

Just some of the major upgrades include air conditioning, bow thruster, davits integrated into the bimini, additional water tank, lithium batteries, solar, the larger 57Hp Yanmar engine with 3 blade folding propeller, upgraded Rocna anchor and chain, upgraded performance sails... There is a full boat cover plus full cockpit covers (dodger with screen, bimini with infill and even side wings).

The engine has only logged around 112 hours and was serviced at 108 hours in conjunction with a full out of water service in August '24. This is a vessel which will appeal to those considering a new purchase without dealing with the build and wait times, and importantly without the time and effort to fit out a cruising vessel to a very high level. Of course, 'Wilyali' offers a significant saving on a new order.

'Wilyali' is available for inspection on a marina berth on Pittwater in Sydney's North. Contact Peter for further details.
