## Description

Price: AUD \$865,000

'Amaroo' is a very well-specified 2014 Hanse 575 berthed in Sydney Harbour and now exclusively for sale with YOTI.

Delivered in Germany in 2014, 'Amaroo' has been well-specified for Bluewater cruising or fast coastal adventures. In her current format, she is used for casual harbour racing, cruising and entertaining. Recently added to her inventory are a North 3Di upwind sails wardrobe and a G Zero Gennaker on a Facnor Carbon Furler. Her covers have recently been upgraded with a black and complete Bimini and Spray Dodger arrangement. On deck is a very durable and stylish Flexiteek deck, allowing easy maintenance and long life.

Ordered as a very practical four-cabin, four-head version, 'Amaroo' has enough internal volume to allow this layout. Her cabins all have a private ensuite, and her enormous saloon and cockpit allow enough lounging space for additional guests when necessary. She is powered by an upgraded 150hp Volvo diesel through a shaft with a three-blade feathering propellor, and her generator is a 10Kva Fisher Panda. She was fitted at the factory with a 32000 BTU air-conditioning system, which has recently had a significant re-fit. Her instruments are all B&G and include Radar and AIS receiver and transponder.

On deck 'Amaroo' presents beautifully. Her black painted Seldon mast and black carbon V boom sit well beside her black covers and hull stripes. She is a very cool looking yacht!

Please call Tim Vine to discuss 'Amaroo', a well specified, fast, safe and stylish Hanse 575.

## Features

Designer	Judel/Vrolijk
Builder	Hanse Yachts, Germany
Water (Potable) Capacity (l)	770L stainless steel tanks.
Hull Construction Material	GRP
Hull Type	Monohull
