## Description

Price: €1,600,000 (Ex Tax)

'Samadhi' is an incredibly well-specified and immaculate Lagoon 560 S2, delivered from the factory in France to her first and current owner in 2019, and now exclusively for sale with YOTI. Currently cruising in the South Pacific, Samadhi is hull number 110 of 111 Lagoon 560s commissioned and has to be the highest specified Lagoon 560 in this part of the world.

Ordered as the five-cabin version by her young family, this layout includes a magnificent owners suite with direct access to the bathing platform and into the water, a VIP cockpit accessed cabin with large island berth and ensuite as well as two large cabins in the bows also with large island berths and private ensuites. The saloon is impressive with a custom living edge dining table and very cool Brique-coloured suede upholstery across from a large very well-specified galley. The cockpit seamlessly flows from aft of the saloon and was ordered with upgraded grey plush cockpit cushions, which were also ordered for all alfresco areas in the boat.

The flybridge is functional and the perfect area to relax. Accessed by a beautiful timber spiral staircase with horizontal electric closing sliding doors, the entire vessel can be controlled from this space. The visibility forward is fabulous and helped aft by several cameras giving clarity to the stern while docking.

During the buying process, every detail was thoroughly researched and subsequently ordered by her owner to ensure optimal performance, comfort and safety for their journey. Some of the more notable inclusions include a hydraulic tender lift with an easy conversion into a full internal beam "beach" bathing platform, upgraded 110hp Yanmar diesel powered through shafts, a large Onan 17.5 kva genset with full air conditioning and a current and complete suite of B&G sailing and navigation instrumentation including FLIR IR/Thermal imaging camera on the mast.

Her Incidence Hydranet mainsail sits on a Carbon white "Park Avenue" boom and her mast was repainted in white in 2022. She is also fitted with a Incidence Hydranet furling genoa, a Dacron staysail with running rigging and furler and an Incidence 140m<sup>2</sup> black Code 0 on a Facnor furler. It's the perfect cruising sail wardrobe.

'Samadhi' has been commissioned and upgraded as an extremely luxurious and, most importantly, safe Bluewater cruising catamaran with no expense spared. Please contact Tim Vine for further information about this incredible opportunity.

Price Ex Tax; Ex Fiji
