Description

Huge Price Reduction: AUD \$865,000[Ex Tax]

Discover *Waterlust*, a pristine Leopard 48 catamaran, built in 2015 by Robertson & Caine and now available exclusively with the team at YOTI on the Gold Coast.

As one of the few non-hurricane damaged Leopard 48s on the market today, she offers a rare chance to own one of the most sought-after models from the famed South African shipbuilder, renowned for their seaworthy, spacious, and high-performing catamarans.

Perfectly suited for the Australian market, *Waterlust* is equipped with a 220v electrical system, ensuring compatibility with local power infrastructure—a practical feature that sets her apart from other imported vessels.

Ordered with the popular four-cabin layout, *Waterlust* is equally suited for private bluewater cruising or entry into a charter fleet, offering excellent versatility and market potential. Each of the four light-filled cabins includes its own ensuite, with the forward starboard head modified to include a washing machine, a valuable addition for long-term charters or extended cruising.

A standout feature of the Leopard 48 is its unique forward cockpit and seating area, accessible from the saloon. This design maximizes outdoor space and provides an additional entertainment or relaxation area, ideal for enjoying the open air while at anchor or underway—an exclusive feature of this Leopard model that distinguishes it from other catamarans in its class.

Recently refitted for global cruising in 2021, *Waterlust* features:

- Full air-conditioning throughout
- A new watermaker for extended autonomy at sea
- Upgraded Raymarine instruments (2022)
- Generator to ensure comfort and convenience on extended voyages

Widely regarded as one of Robertson & Caine's best-ever models, the Leopard 48 balances luxurious comfort with high-performance sailing. The spacious aft cockpit and forward seating area offer excellent space for relaxation and socializing, while the seamless flow between the helm and the saloon ensures ease of use for solo or short-handed sailors.

Priced competitively at AUD \$865,000 (Ex Tax), *Waterlust* is an exceptional value for an Australian-based buyer. The tax-paid price is approx. AUD \$995,000.
